

STOP DREAMING, START FLYING!

Welcome to the world of aviation. No other endeavor can provide you with such a challenge and new excitement! Snohomish Flying Service strives to make flying easy, affordable, accessible and most importantly safe.

Snohomish Flying Service has been training pilots from all over the world for 65 years. We believe our success comes from the personalized training each pilot trainee receives from our instructors.

We are service oriented and professional. We are an approved FAA Part 141 training facility and this program is supported by a full-time staff of highly-trained flight instructors. We look forward to the opportunity of assisting you in achieving your goal of becoming a pilot!

COME FLY WITH US!
